

RVRN Expired Membership Renewal

Please review your profile on the website as follows.

NOTE: IF YOU CAN NOT ACCESS YOUR PROFILE IT PROBABLY MEANS YOUR MEMBERSHIP HAS EXPIRED BY MORE THAN 90 DAYS AND YOU WILL HAVE TO EITHER:

A: Use the new membership application with "comments" that you are renewing an expired membership

-OR-

B: Send an email to me at KF9SU@arrl.net .

- If your expiration date is 2016 or prior, your dues are expiring this June or have expired
- If your expiration date is 2017 or beyond, you are paid up until the displayed date
- To renew, go to the application tab and click on the members renewal tab
- Complete the number of years you want to renew and click "SUBMIT"
- Please write a check for \$12 (the renewal rate - new members need to submit \$14 and will receive a RVRN decal) and mail the check to the RVRN Treasurer at the address provided on the application.
- Your renewal will be processed upon receipt and an email will be sent to you confirming your update.

Any past unpaid dues will be forgiven and the dues received will go from “now” until June, 2017 or however many years you renew - dues will not be back dated due to expiration. In other words, no one receives a penalty for an Uff-da. (If you’re a Norski, you know what that means. ☺) We do believe in grace.

Please note that the RVRN Email List will soon be correlated with the RVRN Memberships and at that time memberships that are expired will be removed from the RV Radio Network Email list. That means expired memberships will not receive notices of upcoming events, rallies, small group gatherings, notification of the RVRN’s The Network News, etc.

Thank you for your assistance... and thank you in advance for renewing and continuing your support to the RV Radio Network.

73, KF9SU Marshall Kiel, Treasurer
